"Making mistakes is a lot better than not doing anything." Billie Joe Armstrong.

20.1. Watch the video "Images of Nature and the museum's treasured artworks."

a) What is, according to the video, the difference between the Linnaean style and the ecological style in botanical illustration?

b) Summarize Sarah Gottesman's "A brief history of flowers in western art."

c) Coats of arms often include figures of natural objects. List the animals and plants most frequently represented in heraldry, and explain the meaning of each of them.

d) There are many famous artworks of animals. Make your own top-ten list with the ones you find most interesting. Explain your choices.

20.2. Watch the video "Introduction to citations."

a) What is a citation? Explain the difference between in-text citations and full citations.

b) What is the purpose of citations? Is it necessary to document every single idea we present in a paper?

c) Which are the core elements of a citation?

20.3. Compile a short bibliography. Write it in two versions: one in Chicago style and the other in APA style. Include at least:

a) a book with one author,

b) a book with two authors,

c) an essay or chapter in a book,

d) an article in a journal,

e) a page on a website,

f) a YouTube video.

20.4. By the end of this week your glossary should already have 280-400 new terms.
