

Textos históricos y culturales anglonorteamericanos (2014-2015)

STUDENT SATISFACTION SURVEY

Please, let us know your impressions about the course. Try to reason your answers and be as specific as you can.

You may answer overleaf. Write in **English or Spanish**.

Below you have a list of points you can consider in your review. They are only suggestions. Feel free to write on these or any other aspects you think may help us improve the course.

- The teaching of the course (teachers, intellectual stimulation...)
- Assessment and feedback (criteria, fairness, comments on your work...)
- Academic support (teachers easy/difficult to contact, advice...)
- Organization and management (calendar, timetable, changes in the course...)
- Learning resources (library, IT resources, classrooms...)
- Personal development (confidence, improved communication skills...)
