Read George Cartwright's *Journal of Transactions and Events* (1792) and the Inuit Testimony of the 1845 Franklin Expedition (1921, 1869, 1879).

Find some information about each text. This may include: its historical location, authorship (with some relevant information about the author), addressees (if they can be identified or conjectured), and references that we should recognize. For example:

Inuit polygamy  
smallpox  
Franklin's lost expedition

Add your personal opinions on points that you consider worth discussing in class.  
(Try to make specific references to the text.)
