"Self-education is, I firmly believe, the only kind of education there is." Isaac Asimov.

6.1. Watch the video "Turning points in history: Industrial Revolution."

a) Compare the domestic system and the factory system that replaced it.

b) What were the working conditions of women in the Lowell textile mills of the early nineteenth century?

6.2. Watch the video "Trafficking antiquities, from temple to museum."

a) Summarize the case of the Cambodian statue of Duryodhana that Sotheby's intended to auction.

b) Do the atrocities of Pol Pot's regime prove that Utopian thinking is dangerous? Justify your answer.

6.3. Watch the video "On ISIS destruction: human history 'is permanent.'" Discuss the iconoclastic attacks carried out by the Taliban and the Islamic State. What can be done about them?

6.4. Watch the video "Present like Steve Jobs."

a) Write the outline of the video.

b) Does Carmine Gallo follow his own advice? Explain.

6.5. In your opinion, which aspects covered in Donald Clark's article "Presentations" are the most important in order to make your presentations more engaging?

6.6. By the end of this week your glossary should already have 210-300 terms.
