1. Write down the outline of “GCSE Bitesize: ICT systems.”
2. By the end of this week, your glossary should be enlarged in 35-50 words (70-100 words).
3. Watch the video “Medieval helpdesk” and then answer the questions:
 - 3.1. What is the gist of the video? Make a brief summary in 30-50 words.
 - 3.2. As you may see, this video is a parody of modern computer customer services. What are the real-life situations that it is making fun of?
 - 3.3. Can you think of a similar or maybe anecdotic situation? If so, describe the scene.
4. What is the difference between embedded and general-purpose ICT systems?
5. Watch the video “What is an information system?” and take note of the following:
 - 5.1. Examples of information.
 - 5.2. An analogy for the growth in information in the world.
 - 5.3. The use that companies and governments make of information systems.
 - 5.4. Components of an information system.
