1. Watch the videos on the six thinking hats.
  - 1.1. Outline how the method works.
  - 1.2. What is "lateral thinking"? Find some information about specific techniques of creative thinking.
  - 1.3. In your opinion, how important are creativity and innovation in business? Justify your answer.
2. This is your last written assignment. Make an assessment of this English module. How would you organize the teaching of English in your degree? Try to find as many ideas as possible, for example by using the six hats. (Please, answer this question **on a different sheet of paper**, so that we may keep it with us when we hand the assignment back to you.) (You may write your review **in English or in Spanish**, as you wish.)
3. Add at least 50 new words to your glossary. Before submitting it, make sure that it includes 200+ words.
